Planning for the Challenges Ahead

**CERTIFIED-RECEIPT
REQUESTED**

Bruce W. McClendon FAICP
Director of Planning

November 19, 2008

A. Laurence Tuma III, P.E.
3638 Smith Ave., Suite A
Acton, CA 93510

**SUBJECT: VESTING TENTATIVE PARCEL MAP NO. 069445
CONDITIONAL USE PERMIT NO. 2007-00144
MAP DATE: May 20, 2008**

Dear Mr. Tuma:

A public hearing on Vesting Tentative Parcel Map No. 069445 and Conditional Use Permit No. 2007-00144 was held by a Hearing Officer of Los Angeles County ("Hearing Officer") on November 4, 2008 and November 18, 2008.

After considering the evidence presented, the Hearing Officer, Mr. Alex Garcia, in his action on November 18, 2008, approved Vesting Tentative Parcel Map No. 069445 and Conditional Use Permit No. 2007-00144 in accordance with the Subdivision Map Act and Titles 21 (Subdivision Ordinance) and 22 (Zoning Ordinance) of the Los Angeles County Code subject to the recommendations and conditions of the Los Angeles County Subdivision Committee. A copy of the approved findings and conditions is attached to this letter.

The actions of the vesting tentative parcel map authorize the creation of two single family parcels with one shared water well on 12.49 gross acres. The Conditional Use Permit is required to ensure compliance with non-urban hillside management design criteria.

The appeal period for the vesting tentative parcel map and conditional use permit

Approval Letter

ends on December 1, 2008. Once the appeal period has passed and all appropriate fees have been paid, the approved tentative map may be obtained at the Land Divisions Section, Room 1382, Hall of Records Building, 320 West Temple Street, Los Angeles, CA 90012.

The vesting tentative parcel map approval shall expire on **November 18, 2010**. If the subject vesting tentative parcel map does not record prior to the expiration date, a request in writing for an extension of the approval, accompanied by the appropriate fee, **must be delivered in person to Room 1382 within one month prior to the expiration date.**

If you have any questions regarding this matter, please contact Josh Huntington of the Land Divisions Section of the Department of Regional Planning at (213) 974-6433 between the hours of 7:30 a.m. and 6 p.m., Monday through Thursday. Our offices are closed Fridays.

Sincerely,

DEPARTMENT OF REGIONAL PLANNING

**FINDINGS OF THE HEARING OFFICER
COUNTY OF LOS ANGELES
FOR CONDITIONAL USE PERMIT CASE NO. 2007-00144-(5)**

1. The Hearing Officer of the County of Los Angeles County, Mr. Alex Garcia, conducted a noticed public hearing in the matter of Conditional Use Permit Case No. 2007-00144-(5) on November 4, 2008 and November 18, 2008. Conditional Use Permit Case No. 2007-00144-(5) was heard concurrently with Vesting Tentative Parcel Map No. 069445.
2. The permittees, Daniel Guin, Jacque Mellor-Guin, Ellis Herz, and Sarah Herz, are proposing a two single-family parcel hillside subdivision.
3. A conditional use permit ("CUP") is required to ensure compliance with non-urban hillside management design review criteria pursuant to Section 22.56.215(D) (2b) of the Los Angeles County Code ("County Code").
4. The subject site is located on the south side of Michael Street, 1000 feet east of Penman Road, within the unincorporated community of Agua Dulce, the Agua Dulce Community Standards District, and the Soledad Zoned District of Los Angeles County.
5. The rectangular-shaped property is 12.49 gross acres (12.00 net acres) in size with moderate to steep topography. The slope map for the property indicates that approximately 6.5 acres have slopes of 0 to 25 percent, 5.52 acres have slopes of 25 to 50 percent, and 0.46 acres have slopes of 50 percent and over.
6. Access to the proposed development is provided by Michael Street, a 60-foot wide private and future street to the north of the property.
7. The project site is designated as a non-urban hillside development, and a minimum of 70 percent open space is required. The project provides 8.93 acres (71.5 percent) of natural open space.
8. The project site is currently zoned A-1-1 (Light Agricultural-One Acre Minimum Required Lot Area) and A-2-1 (Heavy Agricultural-One Acre Minimum Required Lot Area) which were established by Ordinance No. 7401 on September 30, 1958. Surrounding properties are also zoned A-1-1 and A-2-1.
9. The subject property consists of one lot currently unimproved. Surrounding uses include single-family residences to the north, east and west, and single-family residences and vacant land to the south of the subject property.
10. The project is consistent with the A-1-1 and A-2-1 zoning classifications. Single-family residences are permitted in the A-1 and A-2 zones pursuant to Sections

22.24.070 and 22.24.120 of Title 21 of the Los Angeles County Code ("County Code"). The proposed density of two dwelling units is consistent with the maximum 12 dwelling units permitted by the A-1-1 and A-2-1 zoning. Each of the two proposed parcels is greater than five net acres in size. The applicant has requested a CUP to ensure compliance with non-urban hillside development design criteria pursuant to Section 22.56.215(D) (2b) of the County Code.

11. The subject property is located within the N1 (Non-Urban 1) land use classification of the Santa Clarita Valley Area Plan ("Plan"), a component of the Los Angeles Countywide General Plan ("General Plan"). The N1 classification allows a maximum density of 0.5 dwelling units per acre. The proposed subdivision's density is 0.16 dwelling units per acre. Therefore, the proposed density is consistent with the density requirement of the Plan.
12. The Plan outlines policies specifically relating to the Agua Dulce area. This project is consistent with several of the policies of the Plan. One of these policies is that "future growth should be limited to an overall density of one unit per two acres." The proposed subdivision is consistent with this policy. The Plan also outlines several areawide policies. The proposed project is also consistent with several of these Plan's areawide policies. These policies include:

2.2 Determine future land use growth in the Santa Clarita Valley by considering the following criteria:

- a. Sensitivities of natural environmental systems;
 - b. Hazards or constraints of natural environmental systems of land use;
- 5.2 Minimize disruption and degradation of the environment as development occurs, working with nature in the design of land uses so that they are compatible with natural environmental systems.

Therefore, this project is consistent with the General Plan.

13. This is a hillside project since the subject property exhibits natural slopes of 25 percent or greater. A CUP is required for the project since the two dwelling units proposed exceeds the non-urban low-density threshold of one dwelling unit established for the site.
14. Vesting Tentative Parcel Map No. 069445 is a related request to create two single-family parcels on 12.49 gross acres.
15. The permittees have applied for a permit to allow them to share one well between the two parcels. This permit will need to be approved prior to recordation of the final map or of the parcel map waiver.

16. At the November 4, 2008 public hearing, the Hearing Officer heard a staff presentation regarding the proposed development.
17. At the November 4, 2008 public hearing, the Hearing Officer heard from the permittees' representative, Laurence Tuma. Mr. Tuma stated that he agreed with the findings and conditions but requested that the Hearing Officer revise the conditions to allow for a Parcel Map Waiver.
18. At the November 4, 2008 public hearing, after hearing all testimony, the Hearing Officer continued the public hearing to November 18, 2008 in order to give staff time to consult with staff from the Department of Los Angeles County Department of Public Works ("Public Works") regarding the possibility of recording a parcel map waiver in lieu of a final map, and to revise the draft findings and conditions accordingly.
19. At the November 18, 2008 public hearing, the Hearing Officer heard a staff presentation regarding the outcome of research regarding the possibility of a Parcel Map Waiver. Staff said that Public Works stated that Vesting Tentative Parcel Map No. 069445 can be confirmed approved with a Parcel Map Waiver in lieu of a Final Map. Staff concluded that granting the applicant's request to record a Parcel Map Waiver would be consistent with the eligibility requirements found in Section 21.48.140 of the County Code.
20. At the November 18, 2008 public hearing, after hearing all testimony the Hearing Officer closed the public hearing and approved Vesting Tentative Parcel Map No. 069445.
21. The site is physically suitable for the density and type of development proposed.
22. The Hearing Officer finds that the project does not have "no effect" on fish and wildlife resources. Therefore, the project is not exempt from California Department of Fish and Game fees pursuant to Section 711.4 of the Fish and Game Code.
23. Approval of this project is conditioned on the permittee's compliance with the attached conditions of approval as well as the conditions of approval for Vesting Tentative Parcel Map No. 069445.
24. The permittees have demonstrated the suitability of the subject property for the proposed use. Establishment of the proposed use at such location is in conformity with good zoning practice. Compliance with the conditions of approval will ensure compatibility with surrounding land uses and consistency with all applicable Plan policies.

25. The location of the documents and other materials constituting the record of proceedings upon which the Hearing Officer's decision is based in this matter is the Department of Regional Planning ("Regional Planning"), 13th Floor, Hall of Records, 320 West Temple Street, Los Angeles, California 90012. The custodian of such documents and materials shall be the Section Head of the Land Divisions Section, Regional Planning.

BASED ON THE FOREGOING, THE HEARING OFFICER OF THE COUNTY OF LOS ANGELES CONCLUDES:

- A. That the proposed use with the attached conditions and restrictions will be consistent with the adopted General Plan;
- B. With the attached conditions and restrictions, that the requested use at the proposed location will not adversely affect the health, peace, comfort, or welfare of persons residing or working in the surrounding area, will not be materially detrimental to the use, enjoyment, or valuation of property of other persons located in the vicinity of the site, and will not jeopardize, endanger, or otherwise constitute a menace to the public health, safety or general welfare;
- C. That the proposed site is adequate in size and shape to accommodate the yards, walls, fences, parking, landscaping and other development features prescribed in Title 22 of the County Code, or as is otherwise required in order to integrate said use with the uses in the surrounding area;
- D. That the proposed site is adequately served by highways or streets of sufficient width and improved as necessary to carry the kind and quantity of traffic such use would generate, and by other public or private service facilities as are required;
- E. That the proposed project is located and designed so as to protect the safety of current and future community residents, and will not create significant threats to life and/or property due to the presence of geologic, seismic, slope instability, fire, flood, mud flow, or erosion hazard;
- F. That the proposed project is compatible with the natural, biotic, cultural, scenic and open space resources of the area;
- G. That the proposed project is conveniently served by neighborhood shopping and commercial facilities, can be provided with essential public services without imposing undue costs on the total community, and is consistent with the objectives and policies of the General Plan;
- H. That the proposed development demonstrates creative and imaginative design, resulting in a visual quality that will complement community character and benefit

current and future community residents; and

- I. That the approval of proposed dwelling units exceeding the number permitted by the low-density threshold for the proposed development in nonurban hillsides or the midpoint of the permitted density range in urban hillsides is based on the ability to mitigate problems of public safety, design and/or environmental considerations, as provided in this section and the General Plan;

THEREFORE, THE HEARING OFFICER:

1. Adopts the Negative Declaration and certifies that it has been completed in compliance with CEQA and the State and County guidelines related thereto.
2. Approves Conditional Use Permit Case No. 2007-00144-(5) subject to the attached conditions.

CONDITIONS

1. This grant authorizes the use of the 12.49 acre subject property for a maximum of two single-family residential parcels in compliance with non-urban hillside management design review criteria, as depicted on the approved Exhibit "A", subject to all of the following conditions of approval.
2. This grant shall not be effective for any purpose until the permittee, and the owner of the subject property if other than the permittee, have filed at the office of the Los Angeles County Department of Regional Planning ("Regional Planning") an affidavit stating that they are aware of, and agree to accept, all the conditions of this grant and that the conditions have been recorded as required by Condition No. 8, and until all required monies have been paid pursuant to Conditions No. 9.
3. Unless otherwise apparent from the context, the term "permittee" shall include the applicant and any other person, corporation, or entity making use of this grant.
4. If any provision of this grant is held or declared to be invalid, the permit shall be void and the privileges granted hereunder shall lapse.
5. Notice is hereby given that any person violating a provision of this grant is guilty of a misdemeanor. Notice is further given that the Los Angeles County Regional Planning Commission or Hearing Officer may, after conducting a public hearing, revoke or modify this grant, if it finds that these conditions have been violated or that this grant has been exercised so as to be detrimental to the public health or safety or so as to be a nuisance.
6. The subject property shall be developed and maintained in full compliance with the conditions of this grant and any law, statute, ordinance or other regulation applicable to any development or activity on the subject property. Failure of the permittee to cease any development or activity not in full compliance shall be a violation of these conditions.
7. If inspections are required to ensure compliance with the conditions of this grant, or if any inspection discloses that the property is being used in violation of any condition of this grant, the permittee shall be financially responsible and shall reimburse Regional Planning for all inspections and for any enforcement efforts necessary to bring the subject property into compliance. Inspections shall be made to ensure compliance with the conditions of this grant as well as adherence to development in accordance with the approved site plan on file. The amount charged for inspections shall be the amount equal to the recovery cost at the time of payment (currently \$150.00 per inspection).

8. The property owner or permittee shall record the terms and conditions of this grant in the office of the Los Angeles County Recorder. In addition, upon any transfer or lease of the subject property during the term of this grant, the property owner or permittee shall promptly provide a copy of the grant and its terms and conditions to the transferee or lessee of the subject property.
9. Within five (5) days of the approval date of this grant, remit a **\$1,926.75** processing fee payable to the County of Los Angeles in connection with the filing and posting of a Notice of Determination in compliance with Section 21152 of the California Public Resources Code and Section 711 of the California Fish and Game Code to defray the costs of fish and wildlife protection and management incurred by the California Department of Fish and Game. No land use project subject to this requirement is final, vested or operative until the fee is paid.
10. The permittee shall defend, indemnify and hold harmless the County, its agents, officers, and employees from any claim, action, or proceeding against the County or its agents, officers, or employees to attack, set aside, void or annul this permit approval, which action is brought within the applicable time period of Government Code Section 65009 or any other applicable limitation period. The County shall notify the permittee of any claim, action or proceeding and the County shall reasonably cooperate in the defense.
11. In the event that any claim, action, or proceeding as described above is filed against the County, the permittee shall within ten days of the filing pay Regional Planning an initial deposit of \$5,000.00, from which actual costs shall be billed and deducted for the purpose of defraying the expenses involved in the department's cooperation in the defense, including but not limited to, depositions, testimony, and other assistance to the permittee or permittee's counsel. The permittee shall also pay the following supplemental deposits, from which actual costs shall be billed and deducted:
 - a. If during the litigation process, actual costs incurred reach 80 percent of the amount on deposit, the permittee shall deposit additional funds sufficient to bring the balance up to the amount of the initial deposit. There is no limit to the number of supplemental deposits that may be required prior to completion of the litigation; and
 - b. At the sole discretion of the permittee, the amount of an initial or supplemental deposit may exceed the minimum amounts defined herein.

The cost for collection and duplication of records and other related documents will be paid by the permittee in accordance with Los Angeles County Code Section 2.170.010.

8. The property owner or permittee shall record the terms and conditions of this grant in the office of the Los Angeles County Recorder. In addition, upon any transfer or lease of the subject property during the term of this grant, the property owner or permittee shall promptly provide a copy of the grant and its terms and conditions to the transferee or lessee of the subject property.
9. Within five (5) days of the approval date of this grant, remit a **\$1,926.75** processing fee payable to the County of Los Angeles in connection with the filing and posting of a Notice of Determination in compliance with Section 21152 of the California Public Resources Code and Section 711 of the California Fish and Game Code to defray the costs of fish and wildlife protection and management incurred by the California Department of Fish and Game. No land use project subject to this requirement is final, vested or operative until the fee is paid.
10. The permittee shall defend, indemnify and hold harmless the County, its agents, officers, and employees from any claim, action, or proceeding against the County or its agents, officers, or employees to attack, set aside, void or annul this permit approval, which action is brought within the applicable time period of Government Code Section 65009 or any other applicable limitation period. The County shall notify the permittee of any claim, action or proceeding and the County shall reasonably cooperate in the defense.
11. In the event that any claim, action, or proceeding as described above is filed against the County, the permittee shall within ten days of the filing pay Regional Planning an initial deposit of \$5,000.00, from which actual costs shall be billed and deducted for the purpose of defraying the expenses involved in the department's cooperation in the defense, including but not limited to, depositions, testimony, and other assistance to the permittee or permittee's counsel. The permittee shall also pay the following supplemental deposits, from which actual costs shall be billed and deducted:
 - a. If during the litigation process, actual costs incurred reach 80 percent of the amount on deposit, the permittee shall deposit additional funds sufficient to bring the balance up to the amount of the initial deposit. There is no limit to the number of supplemental deposits that may be required prior to completion of the litigation; and
 - b. At the sole discretion of the permittee, the amount of an initial or supplemental deposit may exceed the minimum amounts defined herein.

The cost for collection and duplication of records and other related documents will be paid by the permittee in accordance with Los Angeles County Code Section 2.170.010.

12. This grant shall expire unless used within two years after the recordation of a final map or Parcel Map Waiver for Vesting Tentative Parcel Map No. 069445. In the event that Vesting Tentative Parcel Map No. 069445 should expire without the recordation of a final map or Parcel Map Waiver, this grant shall expire upon the expiration of the vesting tentative map. Entitlement to the use of the property thereafter shall be subject to the regulations then in effect.
13. The subject property shall be graded, developed and maintained in substantial compliance with the approved vesting tentative parcel map dated May 20, 2008. An amended or revised tentative parcel map approved for Vesting Tentative Parcel Map No. 069445 may, at the discretion of the Director of Planning, constitute a revised Exhibit "A". All revised plans shall require the written authorization of the property owner.
14. All development shall comply with the requirements of the Zoning Ordinance and of the specific zoning of the subject property, except as specifically modified by this grant, as set forth in these conditions, including the approved Exhibit "A," or a revised Exhibit "A" approved by the Director of Planning.
15. The area of individual lots shall substantially conform to that shown on the approved Exhibit "A".
16. The development of the subject property shall conform to the conditions approved for Vesting Tentative Parcel Map No. 069445.
17. Ungraded, natural open space shall comprise at least 71.5 percent of the net area of the project which shall be at least 8.93 acres, as depicted on the approved Exhibit "A" dated May 20, 2008. No development is approved beyond the building pads to ensure the open space is permanently maintained.
18. No structure shall exceed a height of 35 feet above grade, except for chimneys and rooftop antennas.
19. All structures shall comply with the requirements of the Division of Building and Safety of the Los Angeles County Department of Public Works ("Public Works").
20. Detonation of explosives or any other blasting devices or material shall be prohibited unless all required permits have been obtained.
21. All grading and construction on the subject property and appurtenant activities, including engine warm-up, shall be restricted to the hours between 7:00 a.m. and 6:00 p.m. Monday through Friday. No Saturday, Sunday or holiday operations are permitted.

23. The permittee shall implement a dust control program during grading and construction to the satisfaction of the Director of Public Works.
24. The permittee shall, upon commencement of any grading activity allowed by this permit, diligently pursue all grading to completion.
25. No construction equipment or vehicles shall be parked or stored on any existing public or private streets.
26. The permittee shall obtain all necessary permits from Public Works and shall maintain all such permits in full force and effect throughout the life of this permit.
27. All construction and development within the subject property shall comply with the applicable provisions of the Building Code and the various related mechanical, electrical, plumbing, fire, grading and excavation codes as currently adopted by the County of Los Angeles.
28. All structures, walls and fences open to public view shall remain free of extraneous markings, drawings, or signage. These shall include any of the above that do not directly relate to the use of the premises or that do not provide pertinent information about said premises. The only exceptions shall be seasonal decorations or signage provided under the auspices of a civic or non-profit organization.
29. In the event such extraneous markings occur, the permittee shall remove or cover said markings, drawings, or signage no later than 24 hours after such occurrence, weather permitting. Paint utilized in covering such markings shall be of a color that matches, as closely as possible, the color of the adjacent surfaces.
30. The permittee shall utilize water-saving devices and technology in the construction of this project to the extent feasible and consistent with the Los Angeles County Building and Plumbing Codes.
31. Prior to the issuance of any grading and/or building permit, the permittee shall submit to the Director of Regional Planning for review and approval three (3) copies of a revised Exhibit "A" (fully dimensioned, detailed site plan), indicating that the proposed construction and associated grading:
 - a. complies with the conditions of this grant and the standards of the zone; and
 - b. is compatible with hillside resources.
32. All graded slopes (cut and fill) shall be revegetated. Prior to the issuance of any grading and/or building permit, three (3) copies of a landscape plan, which may be incorporated into a revised Exhibit "A", shall be submitted to and approved by the

Director of Regional Planning before issuance of any building permit. The landscape plan shall show size, type, and location of all plants, trees, and watering facilities. All landscaping shall be maintained in a neat, clean, and healthful condition, including proper pruning, weeding, removal of litter, fertilizing and replacement of plants when necessary.

In addition to the review and approval by the Director of Regional Planning, the landscaping plans will be reviewed by the staff biologist of Regional Planning and the Los Angeles County Forester and Fire Warden. Their review will include an evaluation of the balance of structural diversity (e.g. trees, shrubs and groundcover) that could be expected 18 months after planting in compliance with fire safety requirements.

The landscaping plan must show that at least 50 percent of the area covered by landscaping will contain only locally indigenous species, including not only trees, but shrubs and ground covering as well. However, if the permittee demonstrates to the satisfaction of the Director of Regional Planning that compliance with this requirement is not possible due to County fire safety requirements, then the Director of Regional Planning may determine that a lower percentage of such planting shall be required. In those areas where the Director of Regional Planning approves a lower percentage, the amount of such required locally indigenous vegetation shall be at least 30 percent. The landscaping will include trees, shrubs and ground covering at a mixture and density determined by the Director of Regional Planning and the Forester and Fire Warden. Fire retardant plants shall be given first consideration.

Timing of Planting. Prior to the issuance of building permits for any construction, the permittee shall submit a landscaping phasing plan for the landscaping associated with that construction to be approved by the Director of Regional Planning. This phasing plan shall establish the timing and sequencing of the required landscaping, including required plantings within six months and expected growth during the subsequent 18 months.

33. No grading permit shall be issued prior to the recordation of a final map or Parcel Map Waiver except as authorized by the Director of Planning.

**DEPARTMENT OF REGIONAL PLANNING
VESTING TENTATIVE PARCEL MAP NO. 069445**

Map Date: May 20, 2008

CONDITIONS:

1. Conform to the requirements of Title 21 of the Los Angeles County Code ("County Code"), including the requirements of the A-1-1 and A-2-1 zones, as well as the requirements of the Agua Dulce Community Standards District ("CSD").
2. Within five (5) days of the vesting tentative map approval date, remit a \$1,926.75 processing fee payable to the County of Los Angeles in connection with the filing and posting of a Notice of Determination in compliance with Section 21152 of the California Public Resources Code and Section 711 of the California Fish and Game Code to defray the costs of fish and wildlife protection and management incurred by the California Department of Fish and Game. No project subject to this requirement is final, vested or operative until the fee is paid.
3. The applicants may process a Parcel Map Waiver through the Director of Public Works prior to being filed with the Registrar-Recorder/County Clerk's Office.
4. The permittee shall record "OS – Restricted Use Area" on the final map or Parcel Map Waiver over areas designated as "Ungraded Natural Vegetation Area" and "Manufactured Slopes" on the Open Space Exhibit dated 1-16-08.
5. The subdivider shall record "OS – Restricted Use Area" on the Parcel Map Waiver over areas designated as "Ungraded Natural Vegetation Area" and "Manufactured Slopes" on the Open Space Exhibit dated 1-16-08.
6. Prior to grading and/or building permit issuance, submit three copies of a landscape plan in accordance with the conditional use permit requirements.
7. The applicants have applied for a Director's Review for Shared Water Well Permit No. 2007-00003. This application must be approved before the Parcel Map Waiver may be approved for recordation.
8. The subdividers shall defend, indemnify and hold harmless the County of Los Angeles ("County"), its agents, officers, and employees from any claim, action or proceeding against the County or its agents, officers, and employees to attack, set aside, void or annul this parcel map approval, or related discretionary approvals, whether legislative or quasi-judicial, which action is brought within the applicable time period of the Government Code Section 65499.37 or any other applicable time period. The County shall promptly notify the Subdivider of any claim, action or proceeding and the County shall cooperate reasonably in the defense.
9. In the event that any claim, action or proceeding as described above is filed against

the County, the Subdivider shall within ten days of the filing pay Regional Planning an initial deposit of \$5,000.00 from which actual costs shall be billed and deducted for the purpose of defraying the expense involved in the department's cooperation in the defense, including but not limited to, depositions, testimony, and other assistance to the subdivider, or the subdividers' counsel. The Subdivider shall pay the following supplemental deposits, from which actual costs shall be billed and deducted:

- a. If during the litigation process, actual costs incurred reach 80 percent of the deposit amount, the Subdivider shall deposit additional funds to bring the balance up to the amount of the initial deposit. There is no limit to the number of supplemental deposits that may be required prior to the completion of the litigation.
- b. At the sole discretion of the Subdivider, the amount of the initial or supplemental deposit may exceed the minimum amounts defined herein.

The cost for collection and duplication of records and other related documents will be paid by the Subdivider according to the County Code Section 2.170.010.

Except as expressly modified hereinabove, this approval is subject to all those conditions set forth in the attached reports recommended by the Los Angeles County Subdivision Committee, consisting of the Departments of Public Works, Fire, Parks and Recreation, and Public Health.

COUNTY OF LOS ANGELES
DEPARTMENT OF PUBLIC WORKS
LAND DEVELOPMENT DIVISION – SUBDIVISION
PARCEL MAP NO. 69445 (Rev.)
RCUP T 2007-00144 (Rev.)

Page 1/3

TENTATIVE MAP DATED 05-20-2008
EXHIBIT "A" MAP DATED 05-20-2008

The following reports consisting of 10 pages are the recommendations of Public Works.

The subdivision shall conform to the design standards and policies of Public Works, in particular, but not limited to the following items:

1. Details and notes shown on the tentative map are not necessarily approved. Any details or notes which may be inconsistent with requirements of ordinances, general conditions of approval, or Department policies must be specifically approved in other conditions, or ordinance requirements are modified to those shown on the tentative map upon approval by the Advisory agency.
2. Easements are tentatively required, subject to review by the Director of Public Works to determine the final locations and requirements.
3. Easements shall not be granted or recorded within areas proposed to be granted, dedicated, or offered for dedication for public streets, highways, access rights, building restriction rights, or other easements until after the final map is filed with the Registrar-Recorder/County Clerk's Office. If easements are granted after the date of tentative approval, a subordination must be executed by the easement holder prior to the filing of the final map.
4. In lieu of establishing the final specific locations of structures on each parcel at this time, the owner, at the time of issuance of a grading or building permit, agrees to develop the property in conformance with the County Code and other appropriate ordinances such as the Building Code, Plumbing Code, Grading Ordinance, Highway Permit Ordinance, Mechanical Code, Zoning Ordinance, Undergrounding of Utilities Ordinance, Water Ordinance, Sanitary Sewer and Industrial Waste Ordinance, Electrical Code, and Fire Code. Improvements and other requirements may be imposed pursuant to such codes and ordinances.
5. All easements existing at the time of final map approval must be accounted for on the approved tentative map. This includes the location, owner, purpose, and recording reference for all existing easements. If an easement is blanket or indeterminate in nature, a statement to that effect must be shown on the tentative map in lieu of its location. If all easements have not been accounted for, submit a corrected tentative map to the Department of Regional Planning for approval.
6. Adjust, relocate, and/or eliminate lot lines, lots, streets, easements, grading, geotechnical protective devices, and/or physical improvements to comply with ordinances, policies, and standards in effect at the date the County determined the application to be complete all to the satisfaction of Public Works.

7. Quitclaim or relocate easements running through proposed structures.
8. Delineate proof of access to a public street on the final map.
9. The following note shall be placed on all tract and parcel maps with lot/parcel sizes of five acres or more: "Further division of this property to lot/parcel sizes below five acres will require standard improvements be completed as a condition of approval. The improvements will include but not limited to providing access, installation of water mains, appurtenances and fire hydrants, and conformance to Los Angeles County development standards."
10. Extend lot lines to the center of private and future streets or provide separate lots for the private and future streets.
11. Grant ingress/egress and utility easements to the public over the private and future or future streets.
12. A final parcel map must be processed through the Director of Public Works prior to being filed with the Registrar-Recorder/County Clerk's Office, unless the final parcel map is waived by the Advisory Agency.
13. Prior to submitting the parcel map to the Director of Public Works for examination pursuant to Section 66442 of the Government Code, obtain clearances from all affected Departments and Divisions, including a clearance from the Subdivision Mapping Section of the Land Development Division of Public Works for the following mapping items; mathematical accuracy; survey analysis; and correctness of certificates, signatures, etc.
14. If signatures of record title interests appear on the final map, a preliminary guarantee is needed. A final guarantee will be required at the time of filing of the final map with the Registrar-Recorder/County Clerk's Office. If said signatures do not appear on the final map, a title report/guarantee is needed showing all fee owners and interest holders and this account must remain open until the final parcel map is filed with the Registrar-Recorder/County Clerk's Office.

EXHIBIT "A" MAP DATED 05-20-2008

15. Within 30 days of the approval date of this land use entitlement or at the time of first plan check submittal, the applicant shall deposit the sum of \$2,000 (Minor Land Divisions) or \$5,000 (Major Land Divisions) with Public Works to defray the cost of verifying conditions of approval for the purpose of issuing final map clearances. This deposit will cover the actual cost of reviewing conditions of approval for Conditional Use Permits, Tentative Tract and Parcel Maps, Vesting Tentative Tract and Parcel Maps, Oak Tree Permits, Specific Plans, General Plan Amendments, Zone Changes, CEQA Mitigation Monitoring Programs and Regulatory Permits from State and Federal Agencies (Fish and Game, USF&W, Army Corps, RWQCB, etc.) as they relate to the various plan check activities and improvement plan designs. In addition, this deposit will be used to conduct site field reviews and attend meetings requested by the applicant and/or his agents for the purpose of resolving technical issues on condition compliance as they relate to improvement plan design, engineering studies, highway alignment studies and tract/parcel map boundary, title and easement issues. When 80% of the deposit is expended, the applicant will be required to provide additional funds to restore the initial deposit. Remaining balances in the deposit account will be refunded upon final map recordation.

TENTATIVE MAP DATED 5/20/08 (Revision)

LOCATION Agua Dulce

GRADING BY SUBDIVIDER [Y] (Y or N)

REPORT DATE ---

REPORT DATE 8/29/07, 8/4/06

TENTATIVE MAP FEASIBILITY IS RECOMMENDED FOR APPROVAL FROM A GEOLOGIC STANDPOINT

THE FOLLOWING CONDITIONS MUST BE FULFILLED:

1. The final map must be approved by the Geotechnical and Materials Engineering Division (GMED) to assure that all geotechnical requirements have been properly depicted. For Final Map clearance guidelines refer to GS051.0 in the Manual for Preparation of Geotechnical Reports (<http://www.dpw.lacounty.gov/gmed/manual.pdf>).
2. A grading plan must be geotechnically approved by the GMED prior to Final Map approval. The grading depicted on the plan must agree with the grading depicted on the tentative tract or parcel map and the conditions approved by the Planning Commission. If the subdivision is to be recorded prior to the completion and acceptance of grading, corrective geologic bonds may be required.
3. Prior to grading plan approval a detailed engineering geology and soils engineering report must be submitted that addresses the proposed grading. All recommendations of the geotechnical consultants must be incorporated into the plan (Refer to the Manual for Preparation of Geotechnical Reports at <http://www.dpw.lacounty.gov/gmed/manual.pdf>).
4. All geologic hazards associated with this proposed development must be eliminated. Alternatively, the geologic hazards may be designated as restricted use areas (RUA), and their boundaries delineated on the Final Map. These RUAs must be approved by the GMED, and the subdivider must dedicate to the County the right to prohibit the erection of buildings or other structures within the restricted use areas (refer to GS063.0 in the manual for preparation of Geotechnical Reports).
5. The Soils Engineering review dated 6-16-08 is attached.

TENTATIVE MAP DATED 05-20-2008
EXHIBIT MAP DATED 05-20-2008

The subdivision shall conform to the design standards and policies of Public Works, in particular, but not limited to the following items:

REQUIREMENTS PRIOR TO GRADING PLAN APPROVAL:

1. Submit the following agency approvals:
 - a. Drainage Concept or Hydrology approved by the Storm Drain and Hydrology Section of Land Development Division.
 - b. Provide soil/geology approval of the grading plan by the Geotechnical & Materials Engineering Division (GMED).

REQUIREMENTS PRIOR TO FINAL MAP RECORDATION:

2. Submit a grading plan for approval. The grading plans must show and call out the construction of at least all drainage devices and details, paved driveways, elevation and drainage of all pads, landscaping and SUSMP devices if applicable. The applicant is required to show and call out existing easements on the grading plan and obtain the easement holder approvals.
3. A maintenance agreement may be required for privately maintained drainage devices.

CONDITIONS OF APPROVAL FOR SUBDIVISION - UNINCORPORATED

Subdivision: PM 69445 Map Date May 20, 2008 - Ex. A

C.U.P. _____ Vicinity Map _____

- ☐ **FIRE DEPARTMENT HOLD** on the tentative map shall remain until verification from the Los Angeles County Fire Dept. Planning Section is received, stating adequacy of service. Contact (323) 881-2404.
- ☒ Access shall comply with Title 21 (County of Los Angeles Subdivision Code) and Section 902 of the Fire Code, which requires all weather access. All weather access may require paving.
- ☒ Fire Department access shall be extended to within 150 feet distance of any exterior portion of all structures.
- ☒ Where driveways extend further than 150 feet and are of single access design, turnarounds suitable for fire protection equipment use shall be provided and shown on the final map. Turnarounds shall be designed, constructed and maintained to insure their integrity for Fire Department use. Where topography dictates, turnarounds shall be provided for driveways that extend over 150 feet in length.
- ☒ The private driveways shall be indicated on the final map as "Private Driveway and Firelane" with the widths clearly depicted. Driveways shall be maintained in accordance with the Fire Code.
- ☐ Vehicular access must be provided and maintained serviceable throughout construction to all required fire hydrants. All required fire hydrants shall be installed, tested and accepted prior to construction.
- ☒ This property is located within the area described by the Fire Department as "Very High Fire Hazard Severity Zone" (formerly Fire Zone 4). A "Fuel Modification Plan" shall be submitted and approved prior to final map clearance. (Contact: Fuel Modification Unit, Fire Station #32, 605 North Angeleno Avenue, Azusa, CA 91702-2904, Phone (626) 969-5205 for details).
- ☒ Provide Fire Department or City approved street signs and building access numbers prior to occupancy.
- ☐ Additional fire protection systems shall be installed in lieu of suitable access and/or fire protection water.
- ☐ The final concept map, which has been submitted to this department for review, has fulfilled the conditions of approval recommended by this department for access only.
- ☐ These conditions must be secured by a C.U.P. and/or Covenant and Agreement approved by the County of Los Angeles Fire Department prior to final map clearance.
- ☐ The Fire Department has no additional requirements for this division of land.

Comments: Access widths as shown on the Exhibit Map are adequate. Indicate compliance during the building plan phase prior to building permit issuance.

WATER SYSTEM REQUIREMENTS - UNINCORPORATED

Subdivision No. PM 69445 Tentative Map Date May 20, 2008 - Ex. A

Revised Report _____

- ☒ The County Forester and Fire Warden is prohibited from setting requirements for water mains, fire hydrants and fire flows as a condition of approval for this division of land as presently zoned and/or submitted. However, water requirements may be necessary at the time of building permit issuance.
- ☐ The required fire flow for public fire hydrants at this location is _____ gallons per minute at 20 psi for a duration of _____ hours, over and above maximum daily domestic demand. _____ Hydrant(s) flowing simultaneously may be used to achieve the required fire flow.
- ☐ The required fire flow for private on-site hydrants is _____ gallons per minute at 20 psi. Each private on-site hydrant must be capable of flowing _____ gallons per minute at 20 psi with two hydrants flowing simultaneously, one of which must be the furthest from the public water source.
- ☐ Fire hydrant requirements are as follows:
- Install _____ public fire hydrant(s). Verify / Upgrade existing _____ public fire hydrant(s).
- Install _____ private on-site fire hydrant(s).
- ☐ All hydrants shall measure 6"x 4"x 2-1/2" brass or bronze, conforming to current AWWA standard C503 or approved equal. All on-site hydrants shall be installed a minimum of 25' feet from a structure or protected by a two (2) hour rated firewall.
- ☐ Location: As per map on file with the office.
- ☐ Other location: _____
- ☐ All required fire hydrants shall be installed, tested and accepted or bonded for prior to Final Map approval. Vehicular access shall be provided and maintained serviceable throughout construction.
- ☐ The County of Los Angeles Fire Department is not setting requirements for water mains, fire hydrants and fire flows as a condition of approval for this division of land as presently zoned and/or submitted.
- ☒ Water system requirements will be required when this land is further subdivided and/or during the building permit process.
- ☐ Hydrants and fire flows are adequate to meet current Fire Department requirements.
- ☐ Upgrade not necessary, if existing hydrant(s) meet(s) fire flow requirements. Submit original water availability form to our office.

Comments: Water requirements will be determined prior to building permit issuance.

All hydrants shall be installed in conformance with Title 20, County of Los Angeles Government Code and County of Los Angeles Fire Code, or appropriate city regulations. This shall include minimum six-inch diameter mains. Arrangements to meet these requirements must be made with the water purveyor serving the area.

PARK OBLIGATION REPORT

Tentative Map #	69445	DRP Map Date: 05/20/2008	SCM Date: / /	Report Date: 11/20/2008
Park Planning Area #	43B	AGUA DULCE / ACTON	Map Type: REV. (REV RECD)	

Total Units = Proposed Units + Exempt Units

Sections 21.24.340, 21.24.350, 21.28.120, 21.28.130, and 21.28.140, the County of Los Angeles Code, Title 21, Subdivision Ordinance provide that the County will determine whether the development's park obligation is to be met by:

- 1) the dedication of land for public or private park purpose or,
- 2) the payment of in-lieu fees or,
- 3) the provision of amenities or any combination of the above.

The specific determination of how the park obligation will be satisfied will be based on the conditions of approval by the advisory agency as recommended by the Department of Parks and Recreation.

Park land obligation in acres or in-lieu fees:

ACRES:	0.02
IN-LIEU FEES:	\$850

Conditions of the map approval:

The park obligation for this development will be met by:

The payment of \$850 in-lieu fees.

Trails:

No trails.

Comments:

****The In-Lieu Fee has been updated to \$850 from \$823 to reflect the fee schedule at the time Map 69445 was advertised for public hearing in October 2008.**

Contact Patrocenia T. Sobrepeña, Departmental Facilities Planner I, Department of Parks and Recreation, 510 South Vermont Avenue, Los Angeles, California, 90020 at (213) 351-5120 for further information or an appointment to make an in-lieu fee payment.

For information on Hiking and Equestrian Trail requirements contact Trail Coordinator at (213) 351-5135.

PARK OBLIGATION WORKSHEET

Tentative Map #	69445	DRP Map Date: 05/20/2008	SMC Date: / /	Report Date: 11/20/2008
Park Planning Area #	43B	AGUA DULCE / ACTON		Map Type: REV. (REV RECD)

The formula for calculating the acreage obligation and or In-lieu fee is as follows:

$$(P)\text{people} \times (0.003) \text{ Goal} \times (U)\text{nits} = (X) \text{ acres obligation}$$

$$(X) \text{ acres obligation} \times \text{RLV/Acre} = \text{In-Lieu Base Fee}$$

Where: P = Estimate of number of People per dwelling unit according to the type of dwelling unit as determined by the 2000 U.S. Census*. Assume * people for detached single-family residences; Assume * people for attached single-family (townhouse) residences, two-family residences, and apartment houses containing fewer than five dwelling units; Assume * people for apartment houses containing five or more dwelling units; Assume * people for mobile homes.

Goal = The subdivision ordinance allows for the goal of 3.0 acres of park land for each 1,000 people generated by the development. This goal is calculated as "0.0030" in the formula.

U = Total approved number of Dwelling Units.

X = Local park space obligation expressed in terms of acres.

RLV/Acre = Representative Land Value per Acre by Park Planning Area.

Total Units 2 = Proposed Units 2 + Exempt Units 0

	People*	Goal 3.0 Acres / 1000 People	Number of Units	Acre Obligation
Detached S.F. Units	3.11	0.0030	2	0.02
M.F. < 5 Units	2.02	0.0030	0	0.00
M.F. >= 5 Units	2.51	0.0030	0	0.00
Mobile Units	2.40	0.0030	0	0.00
Exempt Units			0	
Total Acre Obligation =				0.02

Park Planning Area = 43B AGUA DULCE / ACTON

Parcel Map No. 069445

Vicinity: Acton

Tentative Parcel Map Date: May 20, 2008 (2nd Revision)

The County of Los Angeles Department of Public Health has no objection to this subdivision and **Tentative Parcel Map 069445** is cleared for public hearing. The following conditions still apply and are in force:

1. The preliminary feasibility reports have been received and reviewed. The data supports the installation of onsite wastewater treatment systems on each of the proposed parcels. **Prior to installation of any onsite waste water treatment system**, a complete feasibility report, including site inspection by the Department will be required in accordance with the Los Angeles County Code. Any factors that may influence the efficient operation of the onsite waste water treatment systems will be evaluated. The applicant is advised that installation of a non-conventional onsite waste water treatment system is required when percolation tests exceed the requirements of the Los Angeles County Code.
2. Public sanitary sewers are not available within 200 feet of any part of the proposed subdivision and each parcel is dependent upon the use of an individual onsite waste water treatment system.
3. **The applicant is advised, that in the event that the requirements of the plumbing code cannot be met on certain parcels, due to future grading or for any other reason, the County of Los Angeles Department of Public Health will deny issuance of a building permit on these parcels.**
4. The proposal for a shared water well to supply potable water to the subdivision has been approved by this Department. Based on the documents provided, the well will provide each connection with water of sufficient quantity and conforms to the California Safe Drinking Water Act and the Los Angeles County Code, Title 11, chapter 11:38. The applicant is advised that proposed shared wells must also be approved by Regional Planning.

GENERAL INFORMATION

I.A. Map Date: April 11, 2007 Staff Member: Michele Bush
Thomas Guide: 4374 D3 USGS Quad: Sleepy Valley
Location: Michael St and Vic Chashan Rd Acton

Description of Project: The proposed project is a request for a Tentative Tract Map to subdivide 12.49 Acres (one existing parcel) into two lots. No construction is proposed at this time. The current property use is Vacant, undeveloped and undisturbed. The project applicant is requesting a CUP for hillside management (RCUP 200700144) and a water well permit (200700003). The project will use water wells and private septic Sewer disposal systems. No grading is proposed at this time.

Gross Acres: 12.49

Environmental Setting: The project site is located on Michael Street and Vic Chashan Road Acton, Approximately nine miles west of Angeles Forest. It is 2.5 miles east of the Agua Dulce Airport and one mile North of Antelope Valley Freeway (14), within the unincorporated Los Angeles County community of Acton. Surrounding land uses within a 1,000 foot radius consist of single-family dwelling units, vacant land and a Church. There are no structures or Oak trees on the project site.

Zoning: A-2-1 (Heavy Agricultural Zone)

General Plan: R-Non-Urban

Community/Area wide Plan: Santa Clarity Valley

Environmental Finding:

FINAL DETERMINATION: On the basis of this Initial Study, the Department of Regional Planning finds that this project qualifies for the following environmental document:

☒ NEGATIVE DECLARATION, inasmuch as the proposed project will not have a significant effect on the environment.

An Initial Study was prepared on this project in compliance with the State CEQA Guidelines and the environmental reporting procedures of the County of Los Angeles. It was determined that this project will not exceed the established threshold criteria for any environmental/service factor and, as a result, will not have a significant effect on the physical environment.

☐ MITIGATED NEGATIVE DECLARATION, in as much as the changes required for the project will reduce impacts to insignificant levels (see attached discussion and/or conditions).

An Initial Study was prepared on this project in compliance with the State CEQA Guidelines and the environmental reporting procedures of the County of Los Angeles. It was originally determined that the proposed project may exceed established threshold criteria. The applicant has agreed to modification of the project so that it can now be determined that the project will not have a significant effect on the physical environment. The modification to mitigate this impact(s) is identified on the Project Changes/Conditions Form included as part of this Initial Study.

☐ ENVIRONMENTAL IMPACT REPORT*, inasmuch as there is substantial evidence that the project may have a significant impact due to factors listed above as "significant".

☐ At least one factor has been adequately analyzed in an earlier document pursuant to legal standards, and has been addressed by mitigation measures based on the earlier analysis as described on the attached sheets (see attached Form DRP/IA 101). The Addendum EIR is required to analyze only the factors changed or not previously addressed.

Approved by:

Paul McCarthy *Paul McCarthy*

Date:

June 24, 2008

☐ This proposed project is exempt from Fish and Game CEQA filing fees. There is no substantial evidence that the proposed project will have potential for an adverse effect on wildlife or the habitat upon which the wildlife depends. (Fish & Game Code 753.5).

☐ Determination appealed – see attached sheet.

*NOTE: Findings for Environmental Impact Reports will be prepared as a separate document following the public hearing on the project.

HAZARDS - 1. Geotechnical

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Is the project located in an active or potentially active fault zone, Seismic Hazards Zone, or Alquist-Priolo Earthquake Fault Zone? <u>DRP GIS: Approximate 4 miles east of Tick Canyon and mint Canyon Fault.</u>
b.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Is the project site located in an area containing a major landslide(s)? <u>DRP GIS - Land Slide Inventory: Project adjacent to a land slide.</u>
c.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Is the project site located in an area having high slope instability? <u>DRP GIS - Land Slide Inventory: Project adjacent to a land slide.</u>
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project site subject to high subsidence, high groundwater level, liquefaction, or hydrocompaction?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the proposed project considered a sensitive use (school, hospital, public assembly site) located in close proximity to a significant geotechnical hazard?
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will the project entail substantial grading and/or alteration of topography including slopes of over 25%? <u>No grading is proposed at this time.</u>
g.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project be located on expansive soil, as defined in Table 18-1-B of Uniform Building Code (1994), creating substantial risks to life or property?
h.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

STANDARD CODE REQUIREMENTS

<input type="checkbox"/> Building Ordinance No. 2225 – Sections 308B, 309, 310, and 311 and Chapters 29 and 70	
<input type="checkbox"/> MITIGATION MEASURES	<input checked="" type="checkbox"/> OTHER CONSIDERATIONS
<input type="checkbox"/> Lot Size	<input type="checkbox"/> Project Design
	<input type="checkbox"/> Approval of Geotechnical Report by DPW

Comply with SCM recommendation from Public Works.

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on, or be impacted by, **geotechnical** factors?

<input type="checkbox"/> Potentially significant	<input type="checkbox"/> Less than significant with project mitigation	<input checked="" type="checkbox"/> Less than significant/No Impact
--	--	---

HAZARDS - 2. Flood

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the major drainage course, as identified on USGS quad sheets by a dashed line, located on the project site?
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project site located within or does it contain a floodway, floodplain, or designated flood hazard zone?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project site located in or subject to high mudflow conditions?
d.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Could the project contribute or be subject to high erosion and debris deposition from run-off?
				<i>Project is within a Hillside Management Area.</i>
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project substantially alter the existing drainage pattern of the site or area?
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors (e.g., dam failure)?

STANDARD CODE REQUIREMENTS

☐ Building Ordinance No. 2225 – Section 308A ☐ Ordinance No. 12,114 (Floodways)

☐ Approval of Drainage Concept by DPW

☐ MITIGATION MEASURES

☒ OTHER CONSIDERATIONS

☐ Lot Size ☐ Project Design

Comply with SCM recommendation from Public Works.

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on, or be impacted by **flood (hydrological)** factors?

☐ Potentially significant

☐ Less than significant with project mitigation

☒ Less than significant/No impact

HAZARDS - 3. Fire

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Is the project site located in a Very High Fire Hazard Severity Zone (Fire Zone 4)? <i>DRP GIS Very High Fire Hazard Severity Zone: Project is within the Very Fire Hazard Severity Zone</i>
b.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Is the project site in a high fire hazard area and served by inadequate access due to lengths, width, surface materials, turnarounds or grade? <i>Project is within unpaved road area</i>
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Does the project site have more than 75 dwelling units on a single access in a high fire hazard area? <i>No construction is proposed at this time</i>
d.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Is the project site located in an area having inadequate water and pressure to meet fire flow standards? <i>No Water Service in area.</i>
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project located in close proximity to potential dangerous fire hazard conditions/uses (such as refineries, flammables, explosives manufacturing)?
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Does the proposed use constitute a potentially dangerous fire hazard?
g.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

STANDARD CODE REQUIREMENTS

☐ Water Ordinance No. 7834 ☐ Fire Ordinance No. 2947 ☐ Fire Regulation No. 8
☐ Fuel Modification / Landscape Plan

☐ MITIGATION MEASURES

☒ OTHER CONSIDERATIONS

☐ Project Design ☐ Compatible Use

Comply with Subdivision Committee requirements from Fire Department.

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on, or be impacted by **fire hazard** factors?

☐ Potentially significant

☐ Less than significant with project mitigation

☒ Less than significant/No impact

HAZARDS - 4. Noise

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project site located near a high noise source (airports, railroads, freeways, industry)?
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the proposed use considered sensitive (school, hospital, senior citizen facility) or are there other sensitive uses in close proximity?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project substantially increase ambient noise levels including those associated with special equipment (such as amplified sound systems) or parking areas associated with the project?
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project result in a substantial temporary or periodic increase in ambient noise levels in the project vicinity above levels without the project?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

STANDARD CODE REQUIREMENTS

☐ Noise Control (Title 12 – Chapter 8) ☐ Uniform Building Code (Title 26 - Chapter 35)

☐ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

☐ Lot Size ☐ Project Design ☐ Compatible Use

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on, or be adversely impacted by **noise**?

☐ Potentially significant ☐ Less than significant with project mitigation ☒ Less than significant/No impact

RESOURCES - 1. Water Quality

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Is the project site located in an area having known water quality problems and proposing the use of individual water wells? <u>Private water wells will be provided to service project site.</u>
b.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Will the proposed project require the use of a private sewage disposal system? <u>Private septic disposal will be provided to service project site.</u>
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	If the answer is yes, is the project site located in an area having known septic tank limitations due to high groundwater or other geotechnical limitations <i>or</i> is the project proposing on-site systems located in close proximity to a drainage course?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project's associated construction activities significantly impact the quality of groundwater and/or storm water runoff to the storm water conveyance system and/or receiving water bodies? <u>NPDES Compliance</u>
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project's post-development activities potentially degrade the quality of storm water runoff and/or could post-development non-storm water discharges contribute potential pollutants to the storm water conveyance system and/or receiving bodies?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors? <u>NPDES Compliance</u>

STANDARD CODE REQUIREMENTS

- | | |
|--|---|
| <input type="checkbox"/> Industrial Waste Permit | <input type="checkbox"/> Health Code – Ordinance No.7583, Chapter 5 |
| <input type="checkbox"/> Plumbing Code – Ordinance No.2269 | <input checked="" type="checkbox"/> NPDES Permit Compliance (DPW) |

☐ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

- ☐ Lot Size
 ☐ Project Design
 ☐ Compatible Use

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on, or be adversely impacted by, **water quality** problems?

- ☐ Potentially significant
 ☐ Less than significant with project mitigation
 ☒ Less than significant/No impact

RESOURCES - 2. Air Quality

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will the proposed project exceed the State's criteria for regional significance (generally (a) 500 dwelling units for residential users or (b) 40 gross acres, 650,000 square feet of floor area or 1,000 employees for non-residential uses)?
				<i>No construction proposed at this time.</i>
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the proposal considered a sensitive use (schools, hospitals, parks) and located near a freeway or heavy industrial use?
				<i>No construction proposed at this time.</i>
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will the project increase local emissions to a significant extent due to increased traffic congestion or use of a parking structure or exceed AQMD thresholds of potential significance?
				<i>No construction proposed at this time.</i>
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will the project generate or is the site in close proximity to sources that create obnoxious odors, dust, and/or hazardous emissions?
				<i>No construction proposed at this time.</i>
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project conflict with or obstruct implementation of the applicable air quality plan?
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project violate any air quality standard or contribute substantially to an existing or projected air quality violation?
g.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project result in a cumulatively considerable net increase of any criteria pollutant for which the project region is non-attainment under applicable federal or state ambient air quality standard (including releasing emission which exceed quantitative thresholds for ozone precursors)?
h.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

STANDARD CODE REQUIREMENTS

☐ Health and Safety Code – Section 40506

☐ MITIGATION MEASURES

☐ Project Design ☐ Air Quality Report

☐ OTHER CONSIDERATIONS

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on, or be adversely impacted by, **air quality**?

☐ Potentially significant ☐ Less than significant with project mitigation ☒ Less than significant/No impact

RESOURCES - 3. Biota

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project site located within Significant Ecological Area (SEA), SEA Buffer, or coastal Sensitive Environmental Resource (ESHA, etc.), or is the site relatively undisturbed and natural?
b.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Will grading, fire clearance, or flood related improvements remove substantial natural habitat areas? <i>Project site is undisturbed.</i>
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is a drainage course located on the project site that is depicted on USGS quad sheets by a dashed blue line or that may contain a bed, channel, or bank of any perennial, intermittent or ephemeral river, stream, or lake?
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Does the project site contain a major riparian or other sensitive habitat (e.g. coastal sage scrub, oak woodland, sycamore riparian, woodland, wetland, etc.)?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Does the project site contain oak or other unique native trees (specify kinds of trees)?
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project site habitat for any known sensitive species (federal or state listed endangered, etc.)?
g.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors (e.g., wildlife corridor, adjacent open space linkage)?

☐ MITIGATION MEASURES

☐ Lot Size ☐ Project Design

☐ OTHER CONSIDERATIONS

☐ ERB/SEATAC Review ☐ Oak Tree Permit

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on, **biotic** resources?

☐ Potentially significant

☐ Less than significant with project mitigation

☒ Less than significant/No impact

RESOURCES - 4. Archaeological/Historical/Paleontological

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Is the project site in or near an area containing known archaeological resources or containing features (drainage course, spring, knoll, rock outcroppings, or oak trees) that indicate potential archaeological sensitivity? <i>The project area has been fully surveyed by a professional archaeologist, on November 5, 2007, and cultural resources were found. CA-LAN-1064 Historic Refuse Deposit within 1/4 mile of project boundaries.</i>
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Does the project site contain rock formations indicating potential paleontological resources? <i>Plate 2 Engineering Geologic Materials: Qs-Quaternary Alluvium or marine terrace deposits, fine to medium grained and Bm-Crystalline or Metamorphic Rock.</i>
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Does the project site contain known historic structures or sites?
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project cause a substantial adverse change in the significance of a historical or archaeological resource as defined in 15064.5?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project directly or indirectly destroy a unique paleontological resource or site or unique geologic feature?
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

☒ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

☐ Lot Size ☐ Project Design ☐ Phase 1 Archaeology Report

A professional archaeologist should be retained to monitor any earth moving operations. A previous survey of the subject property LA 804 (1980) recommended "that a qualified historical archaeologist be retained to monitor any earth moving activities (grading, trenching, etc.) to ascertain that there are no additional significant cultural deposits on the property." Buried archaeological resources may be present. If any additional cultural resources are uncovered during project activities please submit reports to this office as soon as possible.

CONCLUSION

Considering the above information, could the project leave a significant impact (individually or cumulatively) on **archaeological, historical, or paleontological** resources?

☐ Potentially significant ☐ Less than significant with project mitigation ☒ Less than significant/No impact

RESOURCES - 5. Mineral Resources

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project result in the loss of availability of a known mineral resource that would be of value to the region and the residents of the state?
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project result in the loss of availability of a locally important mineral resource discovery site delineated on a local general plan, specific plan or other land use plan?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors? <hr/> <hr/> <hr/>

☐ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

☐ Lot Size ☐ Project Design

CONCLUSION

Considering the above information, could the project leave a significant impact (individually or cumulatively) on **mineral** resources?

☐ Potentially significant ☐ Less than significant with project mitigation ☒ Less than significant/No impact

RESOURCES - 6. Agriculture Resources

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project convert Prime Farmland, Unique Farmland, or Farmland of Statewide Importance (Farmland), as shown on the maps prepared pursuant to the Farmland Mapping and Monitoring Program of the California Resources Agency to non-agricultural use?
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project conflict with existing zoning for agricultural use, or a Williamson Act contract?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project involve other changes in the existing environment that due to their location or nature, could result in conversion of Farmland, to non-agricultural use?
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

☐ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

☐ Lot Size

☐ Project Design

CONCLUSION

Considering the above information, could the project leave a significant impact (individually or cumulatively) on **agriculture** resources?

☐ Potentially significant

☐ Less than significant with project mitigation ☒ Less than significant/No impact

RESOURCES - 7. Visual Qualities

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project site substantially visible from or will it obstruct views along a scenic highway (as shown on the Scenic Highway Element), or is it located within a scenic corridor or will it otherwise impact the viewshed?
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project substantially visible from or will it obstruct views from a regional riding or hiking trail?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project site located in an undeveloped or undisturbed area that contains unique aesthetic features? <i>Project site is located on an undeveloped and undisturbed area. There is no evidence of unique aesthetic features.</i>
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the proposed use out-of-character in comparison to adjacent uses because of height, bulk, or other features?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project likely to create substantial sun shadow, light or glare problems?
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors (e.g., grading or landform alteration)?

☐ **MITIGATION MEASURES**

☐ **OTHER CONSIDERATIONS**

☐ Lot Size

☐ Project Design

☐ Visual Report

☐ Compatible Use

CONCLUSION

Considering the above information, could the project leave a significant impact (individually or cumulatively) on **scenic** qualities?

☐ Potentially significant

☐ Less than significant with project mitigation

☒ Less than significant/No impact

SERVICES - 1. Traffic/Access

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Does the project contain 25 dwelling units or more and is it located in an area with known congestion problems (roadway or intersections)? <i>No construction is proposed at this time.</i>
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will the project result in any hazardous traffic conditions? <i>No construction is proposed at this time.</i>
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will the project result in parking problems with a subsequent impact on traffic conditions? <i>No construction is proposed at this time.</i>
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will inadequate access during an emergency (other than fire hazards) result in problems for emergency vehicles or residents/employees in the area?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will the congestion management program (CMP) Transportation Impact Analysis thresholds of 50 peak hour vehicles added by project traffic to a CMP highway system intersection or 150 peak hour trips added by project traffic to a mainline freeway link be exceeded?
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project conflict with adopted policies, plans, or program supporting alternative transportation (e.g., bus, turnouts, bicycle racks)?
g.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

☐ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

☐ Project Design ☐ Traffic Report

☐ Consultation with Traffic & Lighting Division

CONCLUSION

Considering the above information, could the project leave a significant impact (individually or cumulatively) on **traffic/access** factors?

☐ Potentially significant

☐ Less than significant with project mitigation

☒ Less than significant/No impact

SERVICES - 2. Sewage Disposal

This project is proposing a septic system, this page is not applicable.

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	If served by a community sewage system, could the project create capacity problems at the treatment plant?
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project create capacity problems in the sewer lines serving the project site?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

STANDARD CODE REQUIREMENTS

☐ Sanitary Sewers and Industrial Waste – Ordinance No. 6130

☐ Plumbing Code – Ordinance No. 2269

☐ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on the physical environment due to **sewage disposal** facilities?

☐ Potentially significant

☐ Less than significant with project mitigation ☒ Less than significant/No impact

SERVICES - 3. Education

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project create capacity problems at the district level?
				<i>No construction is proposed at this time.</i>
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project create capacity problems at individual schools that will serve the project site?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project create student transportation problems?
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project create substantial library impacts due to increased population and demand?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

☐ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

☐ Site Dedication ☐ Government Code Section 65995 ☐ Library Facilities Mitigation Fee

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) relative to **educational** facilities/services?

☐ Potentially significant

☐ Less than significant with project mitigation ☒ Less than significant/No impact

SERVICES - 4. Fire/Sheriff Services

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project create staffing or response time problems at the fire station or sheriff's substation serving the project site?
				<i>No construction is proposed at this time.</i>
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Are there any special fire or law enforcement problems associated with the project or the general area?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

☐ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

☐ Fire Mitigation Fee

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) relative to **fire/sheriff** services?

☐ Potentially significant ☐ Less than significant with project mitigation ☒ Less than significant/No impact

SERVICES - 5. Utilities/Other Services

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Is the project site in an area known to have an inadequate public water supply to meet domestic needs or to have an inadequate ground water supply and proposes water wells?
				<i>Project proposes ground water well water supply.</i>
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Is the project site in an area known to have an inadequate water supply and/or pressure to meet fire fighting needs?
c.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Could the project create problems with providing utility services, such as electricity, gas, or propane?
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Are there any other known service problem areas (e.g., solid waste)?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project result in substantial adverse physical impacts associated with the provision of new or physically altered governmental facilities, need for new or physically altered governmental facilities, the construction of which could cause significant environmental impacts, in order to maintain acceptable service ratios, response times or other performance objectives for any of the public services or facilities (e.g., fire protection, police protection, schools, parks, roads)?
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

STANDARD CODE REQUIREMENTS

☐ Plumbing Code – Ordinance No. 2269

☐ Water Code – Ordinance No. 7834

☐ MITIGATION MEASURES

☐ Lot Size

☐ Project Design

☐ OTHER CONSIDERATIONS

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) relative to **utilities** services?

☐ Potentially significant

☐ Less than significant with project mitigation

☒ Less than significant/No impact

OTHER FACTORS - 1. General

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will the project result in an inefficient use of energy resources?
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will the project result in a major change in the patterns, scale, or character of the general area or community?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Will the project result in a significant reduction in the amount of agricultural land?
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

STANDARD CODE REQUIREMENTS

☐ State Administrative Code, Title 24, Part 5, T-20 (Energy Conservation)

☐ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

☐ Lot Size

☐ Project Design

☐ Compatible Use

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on the physical environment due to any of the above factors?

☐ Potentially significant

☐ Less than significant with project mitigation

☒ Less than significant/No impact

OTHER FACTORS - 2. Environmental Safety

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Are any hazardous materials used, transported, produced, handled, or stored on-site?
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Are any pressurized tanks to be used or any hazardous wastes stored on-site?
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Are any residential units, schools, or hospitals located within 500 feet and potentially adversely affected?
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Have there been previous uses that indicate residual soil toxicity of the site or is the site located within two miles downstream of a known groundwater contamination source within the same watershed?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project create a significant hazard to the public or the environment involving the accidental release of hazardous materials into the environment?
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project emit hazardous emissions or handle hazardous materials, substances, or waste within one-quarter mile of an existing or proposed school?
g.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project be located on a site that is included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5 and, as a result, would create a significant hazard to the public or environment?
h.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Would the project result in a safety hazard for people in a project area located within an airport land use plan, within two miles of a public or public use airport, or within the vicinity of a private airstrip?
i.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project impair implementation of or physically interfere with an adopted emergency response plan or emergency evacuation plan?
j.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

☐ MITIGATION MEASURES

☐ Toxic Clean-up Plan

☐ OTHER CONSIDERATIONS

CONCLUSION

Considering the above information, could the project have a significant impact relative to **public safety**?

☐ Potentially significant

☐ Less than significant with project mitigation ☒ Less than significant/No impact

OTHER FACTORS - 3. Land Use

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Can the project be found to be inconsistent with the plan designation(s) of the subject property?
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Can the project be found to be inconsistent with the zoning designation of the subject property?
c.				Can the project be found to be inconsistent with the following applicable land use criteria:
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Hillside Management Criteria?
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	SEA Conformance Criteria?
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other?
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project physically divide an established community?
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?

☐ **MITIGATION MEASURES**

☐ **OTHER CONSIDERATIONS**

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on the physical environment due to **land use** factors?

☐ Potentially significant
 ☐ Less than significant with project mitigation
 ☒ Less than significant/No impact

OTHER FACTORS - 4. Population/Housing/Employment/Recreation

SETTING/IMPACTS

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project cumulatively exceed official regional or local population projections?
<hr/>				
<i>No construction is proposed at this time.</i>				
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project induce substantial direct or indirect growth in an area (e.g., through projects in an undeveloped area or extension of major infrastructure)?
<hr/>				
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project displace existing housing, especially affordable housing?
<hr/>				
d.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project result in substantial job/housing imbalance or substantial increase in Vehicle Miles Traveled (VMT)?
<hr/>				
e.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Could the project require new or expanded recreational facilities for future residents?
<hr/>				
f.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Would the project displace substantial numbers of people, necessitating the construction of replacement housing elsewhere?
<hr/>				
g.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Other factors?
<hr/>				
<hr/>				

☐ MITIGATION MEASURES

☐ OTHER CONSIDERATIONS

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on the physical environment due to **population, housing, employment, or recreational** factors?

☐ Potentially significant
 ☐ Less than significant with project mitigation
 ☒ Less than significant/No impact

MANDATORY FINDINGS OF SIGNIFICANCE

Based on this Initial Study, the following findings are made:

	Yes	No	Maybe	
a.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<p>Does the project have the potential to substantially degrade the quality of the environment, substantially reduce the habitat of a fish or wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, threaten to eliminate a plant or animal community, reduce the number or restrict the range of a rare or endangered plant or animal, or eliminate important examples of the major periods of California history or prehistory?</p> <p><i>Project site is undeveloped and undisturbed.</i></p>
b.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<p>Does the project have possible environmental effects that are individually limited but cumulatively considerable? "Cumulatively considerable" means that the incremental effects of an individual project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects.</p>
c.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<p>Will the environmental effects of the project cause substantial adverse effects on human beings, either directly or indirectly?</p>

CONCLUSION

Considering the above information, could the project have a significant impact (individually or cumulatively) on the environment?

☒ Potentially significant
 ☐ Less than significant with project mitigation
 ☒ Less than significant/No impact

Los Angeles County
Department of Regional Planning

Planning for the Challenges Ahead

November 19, 2008

Bruce W. McClendon FAICP
Director of Planning

A. Laurence Tuma III, P.E.
3638 Smith Ave., Suite A
Acton, CA 93510

**SUBJECT: VESTING TENTATIVE PARCEL MAP NO. 069445
CONDITIONAL USE PERMIT NO. 2007-00144
MAP DATE: May 20, 2008**

Dear Mr. Tuma:

A fee for the programs of the California Department of Fish and Game must be paid at the time a Notice of Determination is filed on an approved project. This is to inform you that, for your project approved on November 18, 2008,

- ☐ an Environmental Impact Report was required; therefore, a fee of \$2,656.75 must be paid.
- ☒ a Negative Declaration was issued; therefore, a fee of \$1,926.75 must be paid.
- ☐ the project was found to involve no potential for any adverse effect on wildlife resources; therefore, a \$50 processing fee to accompany the Certificate of Fee Exemption must be paid.

Write the tentative parcel map number on your check made payable to the County of Los Angeles.

For your convenience fees will be collected by the Department of Regional Planning for forwarding to the County Clerk. Because the Department cannot accept these fees by mail, please bring a check in the appropriate amount to the Land Divisions Section, Room 1382, Hall of Records, 13th Floor, 320 West Temple Street, Los Angeles, California 90012.

TENTATIVE PARCEL MAP NO. 069445
CONDITIONAL USE PERMIT NO. 2007-00144-(5)

Fish and Game Fee Notice

1382, Hall of Records, 13th Floor, 320 West Temple Street, Los Angeles, California 90012.

Please note that Section 21089(b) of the Public Resources Code provides that no project approval is operative, vested or final until these fees are paid.

Sincerely,

DEPARTMENT OF REGIONAL PLANNING
Bruce W. McClendon, FAICP
Director of Planning

Subject:

Filing Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

VESTING TENTATIVE PARCEL MAP NO. 069445
CONDITIONAL USE PERMIT NO. 2007-00144

Project Title

#20081064	Josh Huntington	(213) 974-6433
State Clearinghouse Number (If Submitted to Clearinghouse)	Lead Agency Contact Person	Area Code/ Telephone/Extension

Project Location (Include County)

The subject property is located on the south side of Michael Street, approximately 1000 feet east of Penman Road, in the Soledad Zoned District of Los Angeles County

Project Description:

The applicant has requested the approval of Vesting Tentative Parcel Map No. 069445 and Conditional Use Permit No. 2007-00144. The subdivision proposes to create 2 single family parcels with one shared water well on 12.49 gross acres. The Conditional Use Permit is required to ensure compliance with non-urban hillside management design criteria.

This is to advise that the Hearing Officer has approved the above-described project on November 18, 2008 and made the following determination regarding the above described project:
(Date)

1. The project [☐ will ☒ will not] have a significant effect on the environment.
2. ☐ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
☒ A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [☐ were ☒ were not] made a condition of the approval of the project.
4. A statement of Overriding Considerations [☐ was ☒ was not] adopted for this project.
5. Findings [☒ were ☐ were not] made pursuant to the provisions of CEQA.

This is to certify that the Negative Declaration with comments and responses and record of project approval is available to the General Public at:

320 West Temple Street, Los Angeles, California 90012
